

PAYROLL

Looking for a smart solution that simplifies your payroll process? Hoping to receive the same service levels you work hard to provide to your own customers?

Payroll for Today's Businesses

- Simple online payroll and HR supported by our award-winning customer service team
- Payment options: direct deposit, electronic checks, paper checks, pay cards
- Self-service for managers and employees, providing online access to paystubs and W-2s
- 100+ reports with flexible filters for access to the information you need when you want it

Tax Filing Peace of Mind

Complex compliance requirements make payroll a challenge for many business owners. With us, your payroll taxes, compliance, and any notices will be handled by an expert team of specialists.

- Nationwide federal, state and local tax filing, depositing, and reporting
- Quarterly and annual returns, W-2s, and 1099s

Time and Labor Integration

Choose a simple, easy-to-use time and attendance system for a few employees, or a sophisticated time and labor management solution for making the most of your labor resources.

- Save considerable time with a payroll integration that eliminates manual work and errors
- Prevent employee time theft
- Time clock options include online, mobile, biometric, proximity and barcode
